*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.*

St Martin's Press. Paperback. Condition: new. BRAND NEW, By Schism Rent Asunder, David Weber, The world has changed. The mercantile kingdom of Charis has prevailed over the alliance designed to exterminate it. Armed with better sailing vessels, better guns, and better devices of all sorts - Charis faced the combined navies of the rest of the world at Darcos Sound and Armageddon Reef - and broke them. Despite the implacable hostility of the Church of God Awaiting, Charis still stands, an island of innovation in a world where the Church has worked for centuries to keep humanity locked at a medieval level of existence. But the powerful men who run the Church aren't going to take their defeat lying down. Charis may control the world's seas, but it barely has an army worthy of the name. As King Cayleb knows, far too much of the kingdom's recent good fortune is due to the secret manipulations of the being that calls himself Merlin - a being who is more than human and on whose shoulders rests the last chance for humanity's freedom. Now, as Charis and its archbishop make the rift with the Church explicit, the storm gathers. Schism has come to the world of Safehold, and nothing will be the same.
