By National Industrial Conference Board

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Unemployment Insurance in Theory and Practice The widespread unemployment produced by the industrial depression of 1921, the extent of unemployment in the United States during normal years, the increasing experimentation abroad with forms of social insurance against unemployment, and the bills providing for public unemployment insurance which have been introduced into the legislatures of several states, all have combined to make the question of unemployment insurance of growing importance in this country. That A unemployment is a national problem of the first order and that a broad, constructive program for dealing with it is a national need, requires no emphasis today. The conflicting social and economic points of view as to what this program should be, the varied interpretations of European experience with unemployment insurance and the prevailing vagueness of information on the situation in the United States as regards the application of public insurance to the unemployment problem, make Man impartial analysis of the question highly desirable. The purpose of the present report is to discuss the problem of the relation of public unemployment...
