Think Well, Live Well Now Workbook - Companion to Think Well, Live Well Now There is only one thing that causes you to live either the life of your dreams or the life of your worst fears. Just one thing that keeps you healthy or causes you to be sick or die. Only one thing that causes you to be in poverty or have financial riches. Your thoughts. It is time for you to come alive in the life God breathes, breaking free from the pain, fear, and limitations of the past to walk in the power and victory found through living the life you've always dreamed of. Think Well, Live Well Now is your first step into life at its best. In these pages, learn: * why you must harness the massive power of your thoughts, words, ideas, and even your prayers to mold and form the life you desire.* how to transform your life through the power of transformed thought-attracting health, blessing, and prosperity.* that just as God spoke his thoughts, thus bringing everything into existence, we who share a measure of God's mind and thought can think and speak into existence a transformed life.* how science has only recently discovered what the Word of God has said for thousands of years-and how the Word makes science more believable. Your life is not set in stone. Your life is what your thoughts make it. Transform from passively accepting life to living an empowered life, with Think Well, Live Well Now. Benay Behnke is a certified Biofeedback therapist, a speaker and workshop presenter dedicated to bringing people a greater understanding of their physiological thought connections, empowering them to make transformational changes in their...
