Farrar, Strauss Giroux-3pl, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book ***** Print on Demand *****. The fantastic has always been at the edges of Heather O'Neill's work. In her bestselling novels, *Lullabies for Little Criminals* and *The Girl Who Was Saturday Night*, she transforms the shabbiest streets of Montreal with her beautiful, freewheeling metaphors. She describes the smallest of things--a stray cat or a secondhand coat--with an intensity that makes them otherworldly. In *Daydreams of Angels*, O'Neill's first collection of short stories, she gives free rein to her imaginative gifts. In *Swan Lake for Beginners*, generations of Nureyev clones live out their lives in a grand Soviet experiment. In *The Holy Dove Parade*, a teenage cult follower writes a letter to explain the motivation behind her crime. And in another tale, a grandmother reveals where babies come from: the beach, where young mothers-to-be hunt for infants in the surf. Each of these beguiling stories twists the beloved narratives of childhood--fairy tales, fables, Bible parables--to uncover the deepest truths of family life.
