

The Making of English (Classic Reprint)

By Henry Bradley

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 256 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Excerpt from The Making of English This little work was announced as in preparation some years ago, but illness compelled me to lay it aside when only a few pages had been written, and since then my health has seldom permitted me to attempt any work in addition to my daily task as one of the editors of the Oxford English Dictionary. Some of the faults of this volume may be due to the desultory manner in which it has been composed; but, on the other hand, the length of time that has elapsed since it was first planned has given me opportunity for more careful consideration of difficult points. The object of the book is to give to educated readers unversed in philology some notion of the causes that have produced the excellences and defects of modern English as an instrument of expression. With the history of the language I have attempted to deal only so far as it bears on this special problem. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com....

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- Joshua Gerhold PhD

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

-- Meagan Roob
