Bella Books. Paperback. Condition: New. 264 pages. Music was the only thing they had in common, at first. Dess Hamptons golden voice brought her every possible success. There was no end to the money, the women and the glittering bright lights. She couldnt imagine needing moreuntil her voice was silenced. Her quiet days are filled with her guitar and she savers every sunrise. Only as a favor to a friend does she venture out to a music festival. Erica Alvarez is used to people telling her shes going to be a star. Thats their priority, not hers. Music spills out of her through singing and playing guitar. Anything else is a bonus. Shes awed that someone invited Dess Hampton to hear her perform, and then blown away when Dess agrees to sit in for a few gigs. For both of them music is deeply personal, and when they play together it becomes something profoundly more. But Dess knows Ericas epic talent means shes destined for a life that Dess has sworn she will never experience again. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
