Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

Wipf Stock Publishers, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Synopsis: Americans live their lives through institutions: government, businesses, schools, clubs, and houses of worship. But many Americans are wary of the control these groups--especially government and business--exercise over their lives. Flea Market Jesus provides an up-close look at the rugged individualism of those trying hardest to separate themselves from institutions: flea market dealers. Having spent most of his life studying American religious organizations, Art Farnsley turns his attention to America's most solitary, and alienated, entrepreneurs. Farnsley describes an entire subculture of white Midwesterners--working class, middle class, and poor--gathered together in a uniquely American celebration of guns and frontier life. In this mix, the character Cochise voices the frustrations of flea market dealers toward business, politics, and, especially, religion. Part ethnography, part autobiography, Flea Market Jesus is a story about alienation, biblical literalism, libertarianism, and deep-seated religious belief. It is not about the Tea Party, the Occupy movement, or the Christian Right, but it shines a light on all of these by highlighting the potent combination of mistrust, resentment, and personal liberty too often kept in the shadows of public discourse among educated elites. Endorsements: Drawing on extensive participation in flea markets and systematic interviews with the people who sell their wares there, Arthur Farnsley has written a vivid and sympathetic portrayal of flea market dealers and the world they inhabit. But this book is about more than flea markets. Part memoir and part cultural analysis, Flea Market Jesus compellingly connects dealers' economic precariousness, religious beliefs, and alienation to broader currents in American politics and religion. --Mark Chaves, Duke University Had anyone else told me he was going to write an account of American individualism as it is concocted, practiced,...
