Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt from One Year in Scandinavia: Results of the Gospel in Denmark and Sweden; Sketches and Observations on the Country and People; Remarkable Events; Late Persecutions and Present Aspect of Affairs We have not been able as yet either to preach in Danish, or write for the press and we have thought it wisdom not to create much excitement until we are fully organized, and speak the language better. Brother Hanson had been so long in America, that he had become very dull in his native tongue and having no Bible or any other Danish book with him in America, as might have been expected, his translation of the Book of Mormon was very imperfect, and will necessarily have to be thoroughly revised before it goes to press.
