Subscribe to our email list to obtain discounts and notifications While there is no doubt that real estate investment is a relatively safe and reliable way to earn a return on an investment, it is also much slower than other types of investments, oftentimes much, much slower than the investor might like. Additionally, it can often be easier to find beginner information, as well as advanced discussion but there is little material linking the two. If you are looking for ways to speed up your real estate rental investments as much as possible, while also learning what you need to become a true expert, then Rental Property Millionaire: The Essential Strategies You Were Never Taught- is the book that you have been waiting for. Part of the Rental Property Millionaire series, this volume concerns itself with everything that those who already have a rental property or two need to focus on in order to take their investments to another level. This comes in the form of a two-pronged approach wherein the first half of the book concerns itself with teaching you ways to get the best deals possible and how to expand your target market. The second half of the book then transitions into a true plan for the long term, discussing...
