One River Press, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Do you wonder about the way your life appears? Are you looking for some way to dramatically change your life? Have you tried many methods only to find that over time you eventually revert to old patterns? The Architecture of Freedom may provide the necessary insights to create permanent change. Exploring modern physics, personal experience, and spirituality, this book outlines a radically different way of understanding our lives, our universe and our being. While this book is not a quick read or proposing an easy fix, once understood, the ideas in this book will forever change your life. Whether or not we are aware of it, what the majority of us most desire is peace of mind in each and every moment. This experience becomes available to all of us when we learn how to live our lives without resistance so that we can then use our unique gifts to follow our most personal and joyful path. Due to our deeply held fears, we all create resistance to the natural and organic flow that would otherwise effortlessly move our lives. Near the root of these fears is the fear that we will one day die and then cease to exist. However, because of the way our universe is built, this fear of death is completely unfounded. The Architecture of Freedom explains why death, or our passing into a state of nonexistence, is impossible. Freedom is living our lives without this fear or resistance, so that we are fully available for all the amazing possibilities that then will begin to flow forth. Learning to live this way is about learning how to live in the present moment or now. When we live fearless...
