## THE LIFE OF MRS. ROBERT LOUIS STEVENSON ILLUSTRATED EDITION 1920

Wildhern Press. Paperback. Book Condition: New. Paperback. 184 pages. Dimensions: 8.8in. x 6.0in. x 0.6in. When I first set out to tell the life story of Mrs. Robert Louis Stevenson, I received the following letter from her old friend Mr. Bruce Porter: Once when I urged your sister to set down the incidents of her life she listened, pondered, and then dismissed the suggestion as impossible, as her life had been like a dazed rush on a railroad express, and she despaired of recovering the incidental memories. The years with Stevenson have of course been adequately told, but the earlier period Indianapolis and California had a romance as stirring, even if sharpened by the American glare. This sharpness has already, for all of us, begun to fade, to take on the glamour of time and distance, and I cannot think of a better literary service than to make the fullest possible record now, before it utterly fades away. It was not only the difficulty of recalling events that caused her to resist all urgings to undertake this task, but a certain shy reluctance in speaking of herself that was characteristic of her. It has, therefore, fallen to me to collect the widely scattered material from various parts of the world and weave it into a coherent whole as best I may, but my regret will never cease that she did not herself tell her own story.
