

Coconut Oil and My Dog: Natural Pet Health for My Canine Friend (Paperback)

By B J Richards

Brenda Richards, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Control doggie odor and fleas, plus heal hot spots, all with one thing? How does that work? And what does it cost? Did you know that long term use of chemical laden flea collars can cause seizures? A scary thought I know. But there is an alternative to this problem and many others. What if there were a way to help your dog with many of the painful everyday issues that come up and do it without the nasty side effects of toxic chemicals? A way to see your dog happy and healthy that was easily affordable and helped to improve the quality of their life. So many of the products out there today can have debilitating side effects like rashes, chemical burns and seizures, to name just a few. And studies show, the more chemicals our pets are exposed to, the higher the incidence of disease and cancer, just like humans. Without knowing it, you may be adding to the very situations you re trying to avoid. But, there is something that you can do to help your dog without unknowingly putting...

Reviews

Very beneficial for all type of folks. It can be rally intriguing throgh studying time. You will like how the writer publish this ebook.

-- Nathan Cruickshank

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
