

## Gifted and Talented Test Practice (Paperback)

By Smarty Buddy LLC

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Smarty Buddy (TM) Gifted and Talented practice books are designed to prepare elementary school aged children for standardized tests such as Inview(TM), CoGAT(R), NNAT2(R), OLSAT(R), etc. All children are gifted and talented. Not all kids fit into the standards that school systems and educational institutions deem as the cutoff for gifted and talented designation. Every child deserves to be offered the most challenging material in school to progress in his or her understanding of the world. The gifted and talented test book is compiled of five subtests that assess the following subject areas: - Sequences - Analogies - Quantitative Reasoning - Verbal Reasoning - Words - Verbal Reasoning - Context. Our workbook is a full length test based on the types of questions your child will encounter on test day. Look for more books in this series for increasing difficulty levels. And check out our Smarty Buddy game on all App Stores to reward your child for worksheet learning. Our app offers over 670 additional questions in a fun game environment,
