Reviews

It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Excerpt from Remarkable Providences: Illustrative of the Earlier Days of American Colonisation The very natural and laudable curiosity to examine and compare te past with the present, has been recently gratified to a great extent by the republication of rare and curious books. The labours of the Percy, Parker, Camden, Shakespeare, and Hansard Knollys Societies, have contributed a store of information most pleasant and profitable. The Harleian and Somers collection of Tracts have rendered accessible a vast number of singularly interesting but rugged pamphlets, in contrast with which our popular literature sheds a benign influence over society, while it exhibits an equally superior elegance of appearance. The volume now offered to the public is one of a series of the popular books of a bygone age, which will form a valuable library of old authors, that in their original forms are too rare and expensive to be generally accessible. These singular narrations were collected by one of the most valuable men of a most eventful period. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
