Thames Hudson Ltd, United Kingdom, 2005. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. This comprehensive A-Z guide embraces all of modern design s numerous manifestations: graphics, products, interiors, furniture, industrial and architectural design. Guy Julier examines not only the work of important designers world-wide, but also the many dramatic changes that have influenced design and its uses in the 20th century. Thus political and ideological concepts, such as feminism and green design, are defined and explained, as are new technological advances, new materials and techniques and influential movements in modern culture. The text incorporates extensive cross-referencing and full bibliographical notes, along with a chronological chart of design highlights since 1900.
