

Cattle Tuberculosis: A Practical Guide to the Agriculturist and Inspector (Classic Reprint) (Hardback)

Filesize: 8.62 MB

Reviews

These types of book is the greatest ebook readily available. I was able to comprehended every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.
(Dr. Porter Mitchell)

CATTLE TUBERCULOSIS: A PRACTICAL GUIDE TO THE AGRICULTURIST AND INSPECTOR (CLASSIC REPRINT) (HARDBACK)

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Cattle Tuberculosis: A Practical Guide to the Agriculturist and Inspector The first edition, which I wrote in conjunction with Dr. Legge, being exhausted, I have been asked by the publishers to bring out a second one. This has practically involved re-writing the book, as during the interval so many fresh experiments have been made and so many new regulations introduced by foreign countries, that I have had to omit a good deal which had become antiquated in my endeavour to bring the book up to date. My object has been to write in such a manner that the subject can be understood by those who have to deal practically with it, yet who, perhaps, have not had the necessary training to appreciate technical phraseology. Tuberculosis is one of the most serious diseases the community have to face, and a general knowledge of its contagious nature, and the methods of combating it, is particularly needful for agriculturists. I hope also that the regulations which I have inserted from foreign countries and the various statistical tables may be of use to those who are professionally endeavouring to get rid of this great scourge. In the text I have endeavoured to acknowledge those whose works I have quoted. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
