Health Press Limited, United Kingdom, 2001. Paperback. Condition: New. 2nd edition. Language: English . Brand New Book. Dermatological surgery is practised routinely in primary care, and most minor procedures are straightforward and require minimal time. Success is dependent on the practitioner s ability to recognize lesions, choose and plan appropriate treatment and surgical interventions, and perform surgical procedures. Fast Facts: Minor Surgery, second edition provides an overview of the good practice and operative set-up required for dermatological surgery, the skin lesions commonly encountered in primary care and the various techniques and procedures involved in their treatment.
