Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

HOMER THE ODYSSEY

Bristol Classical Press. Paperback. Condition: New. 320 pages. Dimensions: 8.5in. x 5.2in. x 0.8in. The Odyssey is one of the earliest works of European literature, second only to the Iliad. These two great epic poems, the astonishing first fruits of Greek civilization, have together determined much of the course of Western literary culture and imagination. The poem tells of the long and painful return of Odysseus from the Trojan War to his homeland of Ithaca, his wife Penelope and his son Telemachos. Even after he finally returns, there are enemies to be fought in his house. The action of the poem covers a huge canvas, ranging widely over time and place, exploring the known and unknown worlds, involving magic and monsters, gods and ghosts, dangers defied: throughout there runs a strong and eloquent insistence on the humanity of men and the ultimate triumph of good over evil. In this vibrant new translation, in a very readable prose format, Martin Hammond complements his acclaimed translation of the Iliad to capture as closely as possible both the simplicity and the intensity of Homers epic. With an introduction by Professor Jasper Griffin and a comprehensive index, it sets a new and lasting standard in the interpretation of a masterpiece of Greek literature for both the student and the general reader. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
