Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Ephebic Oath: And Other Essays Other Of modern cities, some have souls and some are soulless. Mostly they are huge melting pots of the nations. Our home cities are too often crucibles where Mede, Elamite and Parthian are fused in one. But the te duc1ng heat is the ?ame of business zeal, not the fire of civic righteousness. The new made citizen and native born alike boast of tall buildings, uncouth temples to the uncouth god of trade. Non-essentials are exalted and the youth are unaware that the true grandeur of a city is its contribution to time s long roll of noble lives and inspiring deeds. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
