When the man she loves, a Templar, returns from France with news of the disbanding of his order and the arrest of its leaders, she realizes that the heir to England might well betray the Templars to his own advantage. She must turn for aid to the one man she dare not trust: her own husband. Each of them holds a secret that will change the lives of the others as they work to prevent the war with Scotland from becoming the ruin of them all. If you re a fan of the Dark Apostle novels, this novella will show you characters you thought you knew with a history you d never suspect. For those who are not familiar with The Dark Apostle series, this novella contains an excerpt from volume 1, Elisha Barber: magic, intrigue, and medieval surgery.
