Reviews

This sort of book is every little thing and got me to searching ahead and a lot more. This can be for all those who statte there was not a well worth reading through. I am just easily could possibly get a delight of reading through a published pdf.
(Floy Rolfson)

ANT CITIES (PAPERBACK)

HarperCollins Publishers Inc, United States, 2001. Paperback. Condition: New. Arthur Dorros (illustrator). New edition. Language: English . Brand New Book. When you see ants running around a hill of dirt, they may not look like they are doing anything important; but each ant that lives in the hill has a special job. Some ants clean the nest or dig new tunnels. Others bring in food or store seeds to eat later. And in each ant city there is a queen ant who is busy laying eggs. In the miles of tunnels and hundreds of rooms underground, these industrious insects work together to keep their ant city alive.
