## Improvisation and Composition (Paperback)

By Bill Keis

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The purpose of this Book is to cover the basics of composition and arranging, as well as provide access to virtually every possible chord progression that exists which could result in mastery of Improvisation and Composition. This Book answers many interesting questions such as: \* What are the basics of composition? \* What are the various methods of composing? \* What are the important parts of a song or composition? \* What is the form of a jazz standard, a pop song, a Latin Rock tune, etc.? \* What are melodic phrases? \* What is the relationship between melody harmony? \* How do you know when you are done writing a song? \* What are the main elements of any style of music? \* How to write in any style? \* What are the 4 types of motions of harmony? \* What is the difference between chord substitution and reharmonization? \* How to never run out of ideas for chord progressions? \* How to improvise over any chord progression? And many more! Music can come to you from inspiration; however professionals can...
