Little, Brown Company, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. In the tradition of his beloved first novel, *The Notebook*, #1 New York Times bestselling author Nicholas Sparks returns with the remarkable story of two couples whose lives intersect in profound and surprising ways. Ira Levinson is in trouble. Ninety-one years old and stranded and injured after a car crash, he struggles to retain consciousness until a blurry image materializes beside him: his beloved wife Ruth, who passed away nine years ago. Urging him to hang on, she forces him to remain alert by recounting the stories of their lifetime together - how they met, the precious paintings they collected together, the dark days of WWII and its effect on them and their families. Ira knows that Ruth can t possibly be in the car with him, but he clings to her words and his memories, reliving the sorrows and everyday joys that defined their marriage. A few miles away, at a local bull-riding event, a Wake Forest College senior s life is about to change. Recovering from a recent break-up, Sophia Danko meets a young cowboy named Luke, who bears little resemblance to the privileged frat boys she has encountered at school. Through Luke, Sophia is introduced to a world in which the stakes of survival and success, ruin and reward -- even life and death - loom large in everyday life. As she and Luke fall in love, Sophia finds herself imagining a future far removed from her plans -- a future that Luke has the power to rewrite . . . if the secret he s keeping doesn t destroy it first. Ira and Ruth. Sophia and Luke. Two couples who have little in common, and who are separated by years and...
