

Mentoring Nursing and Healthcare Students (Hardback)

By David Kinnell, Philip Hughes

Sage Publications Ltd, United Kingdom, 2010. Hardback. Book Condition: New. New.. 244 x 175 mm. Language: English . Brand New Book. This key text offers mentors and students an insight into the relationship between mentorship theory, policy and practice - Diane Tofts, Kings College London. What does effective mentoring mean in actual practice? How can I be a good mentor? This book answers these questions and is designed to offer nursing and healthcare students a foundation in effective mentoring. The chapters examine the roles and responsibilities of the mentor, and how they enhance the process of mentorship. By examining the relevant competencies and knowledge base, the book provides an essential framework for developing the practice skills needed for successful mentoring. It is embedded in real-life practice and case study examples. It offers tips for successful mentoring and reflects upon likely challenges. It features a range of interactive study activities linked to the student and mentor's experiences. It presents the most up-to-date professional guidance. It includes running themes of reflective practice; evidence-based practice and multi-professional working. Mentoring Nursing Healthcare Students will help both the mentor and the student to develop the skills needed for effective collaboration. It is the core...
