

Albert Elm - What Sort of Life Is This (Paperback)

By -

The Ice Plant, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. What does the world look like? What feelings does it stimulate? Why do we photograph it so urgently? Since 2009, Danish photographer Albert Elm (born 1990) has pursued his curiosity about human existence with a restless energy and intrepid wanderlust, crossing far-flung time zones, boarding the Trans-Siberian Railway, traveling alone in Dubai, China, India, or just walking through his neighborhood in Copenhagen. What Sort of Life Is This remixes Elm s distant and local journeys into a bright, bewildering panoply of narrative fragments and surreal compositions that feels both global and personal, fractured yet strangely complete. Photographed using a 35mm film camera (color and black and white) and referencing numerous styles and genres, the work explodes with the spontaneous color and complexity of life--tender, violent, lonely, joyful, bizarre. Equalizing the exotic and the banal, the book treats every picture as if it were made in the same mystifying place: the world itself.
