FIRE AND RESCUE SERVICES

Springer-Verlag Gmbh Sep 2017, 2017. Buch. Condition: Neu. Neuware - This unique text fills a major gap in the emergency services literature by surveying the research on fire and rescue service management in the UK. An extensive evidence base focuses on organizational culture, leadership skills, standards, and accountability, emphasizing the services' dual roles as first responders and guardians of public safety and prevention. The implications for international public health and safety programs are made clear as the services' recent history...
