Reviews

I actually started out looking at this publication. It normally is not going to cost too much. I am just happy to let you know that this is basically the finest publication i have got read through within my very own life and may be he very best publication for possibly.

GOD SATAN ME: MY LIFE BACK AND FORTH FROM HELL WITH CHE GUEVARA, TWO REVOLUTIONS, COMMUNISM, MONEY AND POWER, UNTIL I FOUND THE LIGHT. (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Cuban born author, Julio M. Lara, as a teenager, he was recruited into Fidel Castro s revolutionary army. There he was fed communist ideology and programmed as a killing machine without conscience. In his first book, AMERICAN APOCALYPSE, How to Stop the Destruction of Liberty, Julio recounts his battles to overthrow the Cuban dictator Batista, only to discover a more horrifying government under Castro. Speaking of his life under communism before many conservative groups, he was urged to write his own story from the beginning. In GOD, SATAN AND ME, Julio documents his journey to hell and back, with Che Guevara, two revolutions, communism, money and power, until he found the Light. Not as just another autobiography, not as just a fiction but real live history. Now, as a naturalized American citizen and a born again Christian, he fears for his adopted country.and so should you.
