Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The manuscript of this story was written by Ezra McKnight, a cousin of that Stephen Decatur McKnight of Hartford, Connecticut, who was captured after the action between the Essex and the Ph be and Cherub, and with a companion named James Lyman went to Rio de Janeiro as exchanged prisoners of war. From that port, according to Lossing, these two shipped for England in a Swedish vessel, and, although the ship arrived in safety, her captain never gave any account of his prisoners, nor was it known what had become of them. That they were murdered would be the natural inference, since in event of their being treacherously sent to England some record must have been found regarding them.
