

## Fiscal Space for Health in Uganda World Bank Working Papers

By Susan Sparkes

World Bank Publications. Paperback. Condition: New. 64 pages. Dimensions: 9.7in. x 6.8in. x 0.3in. This paper reviews the performance of the health sector in Uganda. It addresses concerns in the Ugandan health community that health financing must be increased to improve health, nutrition, and population outcomes, especially given the rapid increase in the country's population. Although international development aid targeted to health has increased dramatically, Uganda's first priority is actions to reduce waste and inefficiency in existing health expenditures. Such actions could include improved management of human resources in the health sector, strengthened procurement and logistics management for medicines and medical supplies, and better programming of development assistance of health. This paper is targeted to health policy makers and those involved in health services financing, both in the government and in donor agencies. This working paper was produced as part of the World Bank's Africa Region Health Systems for Outcomes (HSO) Program. The Program, funded by the World Bank, the Government of Norway, the Government of the United Kingdom, and the Global Alliance for Vaccines and Immunization (GAVI), focuses on strengthening health systems in Africa to reach the poor and achieve tangible results related to Health, Nutrition, and Population. The main...
