

Joyride Vol. 1 (Paperback)

Filesize: 1.48 MB

Reviews

An extremely wonderful publication with lucid and perfect reasons. It typically will not expense too much. You are going to like the way the blogger compose this publication.

Boom! Studios, United States, 2016. Paperback. Condition: New. Marcus To (illustrator). Language: English . Brand New Book. Earth sucks. The stars have been blocked out for so long that people have forgotten there was anything else besides the World Government Alliance watching over them. Uma Akkolyte is a girl who shoots first, leaps before she looks, and is desperate for any means to leave her planet behind. And so she does. When Uma jacks an alien spaceship and punches through the stratosphere she sets forth on an adventure with an unlikely crew who are totally not ready for all the good, bad, and weird the universe will throw at them. From writers Jackson Lanzing and Collin Kelly (Batman and Robin Eternal, Grayson) and artist Marcus To (Nightwing, New Avengers), Joyride is a rebellious love letter to the sci-fi genre, exploring what happens when nothing stands between a group of teens and their freedom amongst the stars.
