Explosion in Paris is the story of one woman s determination to better her life because she has finally found the man of her dreams! By refusing to accept her husband s death sentence assessment of her soul, Angela Briann Scott is challenging herself to reach beyond her limits. This is especially true since her accidental meeting with the devastatingly handsome Ross Leigh Stafford. He s a man of high principles, irreproachable character, unsinkable spirit, and unwavering compassion, all the qualities that her husband, Mitch, is seriously lacking. Angie s adopted country of France glows with charm and beauty through her eyes. By reinventing herself to save her life, she discovers her true essence and she develops a strong sense of self-worth. Her impressive success and enduring strength tell a story that will keep readers engrossed to the very end!.
