GOOD OLE BOYS (PAPERBACK)

AUTHORHOUSE, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is a nostalgic, humorous, sometimes sad, and sometimes downright funny trip into the past! The author has written these true stories from his memory in a style that transports the reader back in time to the mid 20th century. They describe a rural lifestyle that was much more simple and slow moving than today. They tell about the lives and hijinks of farm boys growing up in rural America. They tell of a time that would be lost to the age of video games, computer technology, and fast foods if the hard copy of these memories were not downloaded to bring them back to life This is what Bill Ross has accomplished with his stories of that young group described as Good Ole Boys. In this book. they live again as they did more than a half century ago!.
