Griffin Publishing, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.For every new investor overwhelmed by the different investment options, confounded by sophisticated financial jargon, and frightened by market volatility, Andrew Horowitz is here to help. Each week in his Winning Investor podcast, Horowitz distils the lessons he has learned from over two decades of making clients rich as a highly successful financial planner into accessible advice any investor can use. Now, in *The Winning Investor s Guide to Making Money in Any Market* , Horowitz presents the investing strategies that are the secret to his success. Readers will learn: what the best available investment vehicles are and how they work; which economic indicators to watch and why they matter for your investments; how to protect your investments in down times and make the most of your money in boom times; and, ways to apply the analysis the pros use to uncover good investment opportunities. In the same straight shooting, accessible style that is the hallmark of all his work, Horowitz helps readers identify their investment goals and map out a path to achieving them. Whether taking the first steps beyond a basic savings account or waiting to employ more sophisticated strategies to hedge their investments against a downturn or inflation, *The Winning Investor s Guide to Making Money in Any Market* has the tools everyone needs to manage their money and grow their wealth in any market.
