Reviews

*An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.

FOREIGN AGRICULTURE CIRCULAR: JUNE 9, 1952; FLM-5-52 (CLASSIC REPRINT) (HARDBACK)**DOWNLOAD**

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Foreign Agriculture Circular: June 9, 1952; Flm-5-52 Canada was already faced with a growing surplus of pork in February when the outbreak of foot-and-mouth disease in Saskatchewan eliminated the United States market. In the confusion resulting from embargoes on livestock and meat shipments placed by the Federal, provincial, and the United States governments, packing house storage facilities for fresh and frozen meats became jammed beyond capacity. Pork was and still is the main problem. The government urged farmers to withhold market hogs to heavier weights and for a short time, changed the grade premiums accordingly. This soon began to compound the total weight marketed and the order was rescinded. A Federal floor price for pork was instituted based on hogs selling for per M. At Toronto. To alleviate the acute shortage of storage space for fresh meat, the Agricultural Prices Support Board was authorized to buy canned pork. Government contracts to date for this spam-type product have amounted to 35 million pounds. The government has also purchased to date this year 31 million pounds of the five basic cuts and about 15 million pounds of frozen Wiltshire sides. It is believed that by the end of 1952 pork purchased by the Board will total over 90 million pounds. As recent cases (may A) of foot-and-mouth disease have eliminated all hope of the United States embargo being lifted until at least late fall, the pork surplus situation continues to be serious. Adding to the problem is the estimated 22 percent increase in the spring pig crop this year over the same period in 1951. Even removal of the embargo would probably not ease the situation as the United States market price for...
