Brand New Book ***** Print on Demand *****.Sarah Newbolt enjoyed in her saturnine, brooding way the warmth of April sunshine and the stirring greenery of awakening life now beginning to soften the brown austerity of the dead winter earth. Beside her kitchen wall the pink cones of rhubarb were showing, and the fat buds of the lilacs, which clustered coppicelike in her dooryard, were ready to unlock and flare forth leaves. On the porch with its southern exposure she sat in her low, splint-bottomed rocker, leaning forward, her elbows on her knees. The sun tickled her shoulders through her linsey dress, and pictured her, grotesquely foreshortened, upon the nail-drawn, warped, and beaten floor. Her hands, nursing her cheeks, chin pivoted in their palms, were large and toil-distorted, great-jointed like a man s, and all the feminine softness with which nature had endowed her seemed to have been overcome by the masculine cast of frame and face which the hardships of her life had developed.
