Excerpt from *Medical Hints for the People: A Few Facts Worth Knowing* You see, my dear working friends, I am great upon sparing your strength, and taking things cannily. All very well, say you; it is easy speaking and saying take it easy; but if the pot s on the fire it maun bile. It must, but you needn t poke up the fire forever, and you may now and then set the kettle on the hob, and let it sing, instead of leaving it to burn its bottom out. A man can walk farther and longer than he can run, and it is poor saving to get out of breath. A man who lives to be seventy, and has ten children and (say) five and twenty grandchildren, is of more worth to the State than three men who die at thirty, it is to be hoped, unmarried.
