In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson s MyLab Mastering products. Packages Access codes for Pearson s MyLab Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Developmental Mathematics by Trigsted, Gallaher, and Bodden is the first online, completely clickable combined Basic Mathematics, Beginning Algebra, and Intermediate Algebra text to take full advantage of MyMathLab s (R) features and benefits. Kirk Trigsted saw marked improvements in student learning when he started teaching with MyMathLab, but he noticed that most students started their assignments by going directly to the MyMathLab homework exercises without consulting their textbook. This inspired Kirk to write a true eText, built within MyMathLab, to create a dynamic, seamless learning experience that would better meet the needs and expectations of his students. Completely clickable and fully...
