Reviews

*I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at at any time of the time (that's what catalogues are for about when you request me).

STONEHENGE (PAPERBACK)

Wooden Books, United Kingdom, 2000. Paperback. Condition: New. Robin Heath (illustrator). 2nd Revised edition. Language: English . Brand New Book. Currently the best-selling book at Stonehenge itself, this is one of a new series of mathemagical and ancient traditions titles printed on highest grade recycle papers with no colours or glosses. The covers are matt and leathery, and printed in black and white inks to give an antique effect. Stonehenge intrigues everyone, regardless of age or country - this is the first neat little book to attempt to explain it. The extraordinary age of Stonehenge, contemporary with the Great Pyramid, encourages the reader to reconsider the peoples who once inhabited the British Isles.
