

In Pursuit of Faithfulness: Conviction, Conflict, and Compromise in the Indiana-Michigan Mennonite Conference

By Rich Preheim

Herald Press (VA), United States, 2016. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In 1841, four Amish Mennonite families left their homes in southwestern Pennsylvania and traveled in horse-drawn wagons to Elkhart County, Indiana. Their journey was distinctly American, as they joined a wave of white settlers searching for new and cheaper lands where they could live, work, and worship. It was also distinctly Anabaptist, as they sought to live out complicated commitments to Christ, nonviolence, and community. In this lively narrative, historian and journalist Rich Preheim investigates the heritage and innovations of Indiana-Michigan Mennonite Conference, an area conference of Mennonite Church USA, that have profoundly shaped Mennonite faith and practice since the nineteenth century. Standing at the crossroads of tradition and change, Mennonites in Indiana and Michigan wrestle to pursue faithfulness to Christ in the twenty-first century.
