Brand New Book ***** Print on Demand *****.Excerpt from Greek Aesthetic Theory: A Study of Callistic and Aesthetic Concepts in the Works of Plato and Aristotle In planning the present work I have borne in mind that most useful things serve more than one purpose, and my purposes here are two. Firstly, it is hoped to give an in formative and well-ordered account of aesthetic and callistic concepts as they occur in the works of Plato and Aristotle. This, I believe, may be of advantage to students of modern literature, since the questions raised by the ancient philosophers have in so many instances been rally ing points for aesthetic debate and critical theory ever since. To recognize the source of long-discussed and much elaborated ideas must in itself be beneficial. Much modern] thought proves itself, on analysis, to be concerned with the? Resolution of very ancient dilemmas, and we shall understand the modern thinker better by realizing what these dilemmas are and confronting them, as it were, in their most simple and primitive form. Secondly, my object is, at a time when the value of classical studies is questioned by some educa tionists, to demonstrate how ancient aesthetics should not be thought of in isolation but boldly applied to present-day problems. I wish to present Greek notions of art and beauty not merely as primitive steps in the advance towards modern ideas but as requiring further investigation for their own sake, like an ancient mine which has not been thoroughly exploited. My classification of material, therefore, will be aimed not only at producing an easily memorable arrange ment for the student who wishes to equip himself with in formation but in exhibiting the theses and antitheses implied in the brilliant but...
