

Perfecting Your Game: How to Reach Mastery Through Perfection of Game! (Paperback)

By Jack N Raven

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is all about improving your performance in your chosen industry/game/craft/sport and reaching master class as quickly as humanly possible! This book will present ideas where to get more tools and powers to enhance your current performance and maximize the results youre getting from the existing thing that you are doing. Ultimately it s about high concetration of signal to noise ratios. Boosting the signal, adding more power under the hood, minimizing and eliminating the noises and drags. The principles in this book can be used on practically anything in life to drastically improve your skills! Highly recommended for those in the intermediate to advanced levels, needing to find more sources of power, to blast them out of the plateau state of stagnation i.e. they re finding it difficult to level up! Intermediate and newbies can benefit by starting the pursuit of their chosen game or craft correctly in the first place to shorten the learning curve!.
