Jones and Bartlett Publishers, Inc, United States, 2016. Hardback. Condition: New. 7th Revised edition. Language: English . Brand New Book. Now in full color, the Seventh Edition of Stanfield s Introduction to Health Professions provides comprehensive coverage of all the major health professions. This valuable resource is designed for students who are interested in pursuing a health-related career but are still exploring and have not yet decided on a career. The Seventh Edition outlines more than 75 careers and touches on every major facet of the field including a description of the profession and typical work settings; educational, licensure, and certification requirements; salary and growth projections; and internet resources on educational programs. In addition, this text provides a thorough review of the U.S. healthcare delivery system, managed care, health care financing, reimbursement, insurance coverage, Medicare, Medicaid, and the impact of new technology on healthcare services. Information on career preparation and development is also included. All chapters are updated to reflect current demographics and new policies. Each section has also been thoroughly updated to reflect current training requirements, responsibilities, and salaries, as established in the 2016-2017 Occupational Outlook Handbook. Breakdown of the Seventh Edition: 1. The Health Care System in the United States * Thoroughly updated to reflect changes to the healthcare system, including the Affordable Care Act * Includes a new chapter on Health Information Technology 2. Jobs Careers (NEW): This new section focuses on Job Preparation and Fulfillment as well as Career Development 3. Health Care Practitioners and Technicians (NEW): This new section contains over 20 chapters covering health careers that involve direct patient contact and care 4. Healthcare Support Personnel: This section contains four chapters covering health careers that support or supplement other health professionals in providing ongoing care for patients 5. Health Related Professions: This section focuses...
