Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . This Summary also describes an OJJDP - sponsored nationwide assessment of youth gang prevention, intervention, and suppression programs; debunks prevalent stereotypes surrounding youth gang members; and provides research-based recommendations for enhancing the effectiveness of youth gang programs and strategies. Youth gangs imperil not only the safety of America s communities but the future of our Nation s youth. I trust that the information provided in these pages...
