Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Les Reveries du promeneur solitaire tiennent a la fois de l autobiographie et de la reflexion philosophique: elles constituent un ensemble d une centaine de pages, l auteur employant tres generalement la premiere personne du singulier et apportant par digressions quelques details sur sa vie. Ce livre, qui se presente comme un informe journal de [des] reveries de Rousseau, est compose de dix sections inegales, appelees promenades, qui sont des reflexions sur la nature de l Homme et son Esprit. Rousseau, a travers cet ouvrage, presente une vision philosophique du bonheur, proche de la contemplation, de l etat ataraxique, a travers un isolement relatif, une vie paisible, et surtout, une relation fusionnelle avec la nature, developpee par la marche, la contemplation, l herboristerie que Rousseau pratique.
