Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

LEZIONI SOTTO LA TORRE. QUANDO L'UNIVERSITÀ AGRAVE; PROTESTA.

Edizioni ETS, 2006. Condition: new. A cura di Mauro Stampacchia, Pompeo Della Posta, Judith Munat, Anna Maria Rossi. Pisa, 2006; br., pp. 237, cm 14x21. Dal febbraio 2004 le Università italiane sono state investite da un ciclo di proteste senza precedenti nella storia recente. A Pisa moltissimi professori e ricercatori hanno tenuto lezioni sotto la Torre per opporsi al decreto Moratti sullo stato giuridico, e sensibilizzare l'opinione pubblica verso i problemi dell'Università italiana. I testi di molte di queste lezioni - sugli argomenti più diversi - sono raccolti e offerti al pubblico come esempio propositivo ed emblematico della funzione dell'Università, a documentazione della passione civile e scientifica che la anima. E per proporre implicitamente la domanda: meritano davvero le Università italiane di essere mortificate e penalizzate, come ha fatto il ministro dell'ultimo governo Berlusconi, o sono invece proprio le Università, con la loro capacità di formazione e ricerca, a svolgere un ruolo determinante per il futuro del nostro Paese?.
