

The Hot Swamp (Paperback)

By R M Ballantyne

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Nearly two thousand seven hundred years ago-or somewhere about eight hundred years B.C.-there dwelt a Phoenician sea-captain in one of the eastern sea-ports of Greece-known at that period, or soon after, as Hellas. This captain was solid, square, bronzed, bluff, and resolute, as all sea-captains are-or ought to be-whether ancient or modern. He owned, as well as commanded, one of those curious vessels with one mast and a mighty square-sail, fifty oars or so, double-banked, a dragon s tail in the stern and a horse s head at the prow, in which the Phoenicians of old and other mariners were wont to drive an extensive and lucrative trade in the Mediterranean; sometimes pushing their adventurous keels beyond the Pillars of Hercules, visiting the distant Cassiterides or Tin Isles, and Albion, and even penetrating northward into the Baltic, in search of tin, amber, gold, and what not.
