Insomniac Press. Paperback. Book Condition: new. BRAND NEW, Outside Magic, Noah Leznoff, In 1997, poet Noah Leznoff delighted readers with his critically acclaimed debut collection 'Why We Go to Zoos'. Six years later, one of the most enjoyable voices in Canadian poetry to have emerged in the 1990s returns with a riveting new collection, and he's speaking loud and clear. In this collection, the poet answers difficult questions -- questions about love and politics, about our public selves and domestic spaces, questions for which the answers have long been taken for granted -- and the answers are not always what we expect. Alive with a multiplicity of voices and wrought with remarkable technical versatility, these poems take us outside our convenient assumptions and transcendental connections; outside the illusions of certainty, the sleight of hand of our social vocabulary and the mysteries of our civil existence -- in short, these poems take us outside magic.
