Scripture Solutions, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Jesus or Yeshua: Exploring the Jewish Roots of Christianity It has taken 2000 years for the Jewish roots of Christianity to be yanked out of its Hebraic origins. The Jewish or Gentile follower of Jesus who reads Jesus or Yeshua: Exploring the Jewish Roots of Christianity will discover that much of the everyday Christian terminology is strongly connected to the original Jewish background of the establishment of Christianity. For the inquisitive seeker Lapidès fills in many blanks to help gain a deeper understanding of the messianic faith. Lapidès takes into account typical Christian lingo can confuse both Jewish and Gentile newcomers to Christianity. His goal in compiling this brief 32 page guide is to help Gentile believers recognize certain Christian terms that have been historical stumbling blocks to Jewish seekers. In addition, Lapidès aims to help Jewish people gain an appreciation for the deeper meaning of various Christian expressions.
