Brand New Book ***** Print on Demand *****.Miracle from Tobacco Road is a true story of the life and times of Jesse Davis. He was born in North Carolina and lived his life in the south. His is a story of a man who overcame many difficulties and hardships in his life through the miracles and grace of God, whether or not he knew it at the time. It is a story of salvation and redemption. It is an interesting book with many stories that will keep you wanting to find out what happens next. This book is written like Jesse talks, in a poor, rural, southern conversational style, sometimes spoken in the present as if each moment in his life was now. Jesse talks very openly about his life, relationships, alcohol and drug use, and the difficulties and tragedies that he overcame. It is about the miracles that spared his life on several occasions, to the point that Jesse knew without a doubt that Jesus Christ was following him and protecting him, never abandoned him, and kept leading him to God.
