By Alice Borchardt

Random House USA Inc, United States, 2003. Paperback. Condition: New. Reprint. Language: English . Brand New Book. But outside the gates of Rome, baying at the moon, there is a mysterious dark wolf whose scent awakens the animal in Regeane. Now, as deadly plots tighten like a noose around her neck, Regeane must fight to live with dignity as the proud creature she is: civilized and savage, partaking of both, yet infinitely more than either . . .

### Reviews

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*
